STONEWEG EUROPE STAPLED TRUST ("SERT") DIVESTS NON-CORE OFFICE ASSET IN ITALY FOR €11.35 MILLION AND COMPLETES €7.8 MILLION SALE IN POLAND

Capitalised terms used herein, unless otherwise defined, shall have the meaning ascribed to them as defined herein

1. Introduction

Stoneweg EREIT Management Pte. Ltd. and Stoneweg EBT Management Pte. Ltd., as managers of Stoneweg Europe Stapled Trust ("**SERT**", and the managers, the "**Manager**"), wishes to announce that SERT has entered into a final binding agreement for the divestment of Cassiopea 1-2-3 in Agrate Brianza, Italy ("**Agrate**") for a consideration of €11.35 million (approximately S\$17.17 million¹). Completion is subject to customary closing conditions and is expected in the fourth quarter of 2025.

Separately, the divestment of Arkońska Business Park in Poland ("**ABP**"), first announced on 29 July 2025, has been completed for a consideration of €7.8 million (approximately S\$11.8 million¹), with sale proceeds received on 17 September 2025.

Simon Garing, CEO of the Manager, said: "The divestments of Agrate in Italy and Arkońska in Poland are consistent with SERT's strategy to reduce exposure to non-core markets and B/C grade office assets.

"Since the beginning of 2022, SERT has executed €303.7 million of divestments of non-strategic assets at an aggregate 12.3% premium to the latest independent valuations. The proceeds have been redeployed into higher-value strategies, including SERT's €50 million investment into the AiOnX data centre development fund.

"These divestments further strengthen SERT's portfolio weighting towards logistics, light industrial and data centres, and support the Managers' efforts to maintain gearing within the medium-term target range of 35–40%."

2. Details on Agrate divestment

SERT (through Stoneweg Europa 1, an indirect and wholly-owned subsidiary) has accepted a binding offer to divest Agrate to Finviar S.r.l.. Completion of the sale is subject to execution of the notarial deed and the customary fulfilment of issuance of a fire prevention certificate by the Italian Fire Brigade Command.

Agrate consists of 3 interconnected buildings with a total lettable area of 11,503 sqm. As at 30 June 2025, the property was independently valued at €11.03 million by JLL, as commissioned by the Managers, and by Perpetual Asia Limited (in its capacity as trustee of SERT). The sale consideration of €11.3 million reflects a 2.9% premium to its latest valuation, as well as prevailing market conditions and strategic prioritisation.

Subject to satisfaction of the condition precedent, completion is expected in the fourth quarter of 2025. The Managers will provide a further update upon completion.

3. Use of proceeds and other information

The sale consideration was arrived at on a willing buyer, willing seller basis. Net proceeds from the divestment will be applied towards reducing the revolving credit facility and/or for general working capital purposes.

A divestment fee of €0.06 million (0.5% of the sale consideration) is payable to the Managers in accordance with the Trust Deed constituting SERT.

While SERT remains a long-term investor in European commercial real estate, selected divestments are consistent with the Managers' proactive asset management strategy. This approach aims to enhance portfolio quality and support SERT's mandate to deliver stable and growing distributions, as well as a long-term NAV per unit, while maintaining a conservative capital structure.

4. Interested persons' transaction declaration

The divestment does not constitute an interested person transaction under the Listing Manual. None of the directors or controlling unitholders of the Managers has any interest, direct or indirect, in the transaction, other than through their security holdings in SERT (if any).
